	Mr. Wisner (Continued):	
_	pointed out that all Planning Board papers (which later become NSC policy) are submitted for DD/P comment in the development stage. Mr. Helms and Mr. Wisner pointed out that they considered this to be an opportunity to take exception rather than to make positive policy suggestions. General Cabell	
0EV4	agreed with Mr. Amory that the DD/P area should take advantage of this opportunity to state its own ideas on matters of policy, in spite of the fact that such matters theoretically lie outside CIA responsibility. In some instances it was noted CIA makes policy by default.

	a. Raised the possibility of Mr recall from Europe to appear before a Loyalty Board and stated his understanding that, while would be glad to come back before his scheduled return, he would be unhappy if this summons came in August. General Cabell expressed the view that, in the interests of proper handling, Mr. Amory should disqualify himself from further overt connection with the case because of his own close involvement with	25X1 25X1

	Mr. Kirkpatrick:	
	a. Noted that it appears that Senator Knowland's trip may not give him an opportunity to be briefed before his departure. He undertook to inquire definitively whether Senator Knowland wished a CIA briefing.	
	b. Raised the question of Senator Hickenlooper's being briefed before his departure. Mr. Sheldon reported that who is to accompany Senator Hickenlooper as a CIA liaison officer, had informed him that Hickenloope does not now consider it necessary that he have a CIA briefing.	_r 25X1
	c. Noted that Harry Schwartz of the New York Times will be meeting with him within the next few days and asked whether any persons present wished to take advantage of Mr. Schwartz's visit. Mr. Amory suggested that Mr. Allen of ORR be notified.
